THE INTER-COUNTY CHAMPIONSHIPS 2019/20

The Inter-County Championships are organised by England Squash. Yorkshire Squash seeks to enter at least one team in every category, ranging from Under 11 Juniors to Over 65 Masters

Our aim is to be the most successful County in terms of results, and to win as many categories as possible. To do this, we need to ensure that we select the best available players for each team, from all over the County. If you are, or know of, a player who would like to be considered, please make contact with the relevant Team Manager or Co-ordinator as soon as possible

Because most of the matches are being scheduled on the same date, players will not be able to play in two or more different age groups. This will therefore offer maximum opportunity for players to be selected to represent the County
